

# Ayurveda is Better than Other Healthcare Therapies

*Sanmesh*

AYURVEDIC

*Live Longer*

# INTRODUCTION

Sanmesh Ayurvedic was founded with a clear vision to bring Ayurveda to society in a contemporary form and to unravel the mystery behind the 5,000 year old system of medicine. This included referring to ancient ayurvedic texts, selecting indigenous herbs and subjecting the formulations to modern pharmacological, toxicological and safety tests to create new drugs and therapies.

The legacy of researching nature forms the foundation of Sanmesh's operations. Sanmesh Ayurvedic has pioneered the use of modern science to rediscover and validate ayurveda's secrets. Modern technology is employed to create pharmaceutical-grade ayurvedic products. As a confirmation that Sanmesh Ayurvedic is dedicated to providing the highest quality and consistency in herbal care.

Since its inception, the company has focused on developing safe, natural and innovative remedies that will help people lead richer, healthier lives. Today, Sanmesh's products have been endorsed by ayurvedic doctors around nation and consumers rely on Sanmesh Ayurvedic for their health and personal care needs.

Establish Sanmesh Ayurvedic as a science-based, problem-solving, head-to-heel brand, harnessed from nature's wealth and characterized by trust and healthy lives.

Develop markets nationwide with an in-depth and long-term approach, maintaining at each step the highest ethical standards with promise of a better healthcare...
